TOWNSHIP REGULATIONS

- As a condition for the issuance of a demolition permit, the owner or the owners agent shall give **written notice** to the owners of adjoining properties and to the owners of any property who utility services must be temporarily shut, removed or affected because of the proposed demolition work
- Before a structure is demolished or removed, the owner or agent shall notify all utilities having service connections within the structure such as water, electric, gas, sewer and other connections. **A permit to demolish or remove a structure shall not be issued until a release is obtained from the utilities**, stating that their respective service connections and appurtenant equipment, such as meters and regulators, have been removed or sealed and plugged in a safe manner.
- Whenever a structure is demolished or removed, the premises shall be maintained free from all unsafe or hazardous conditions by the proper regulation of the lot, restoration of established grades and the erection of the necessary retaining walls and fences in accordance with the provisions of Chapter 33 of the 2009 International Building Code.
