Agenda Items

1. Duquesne Light - Poles do not have lights – Duquesne Light wants to know which option we choose:
 - a. Select 10 different poles (with lights on them) to replace the 10.
 - b. If you would still like new lights installed on these poles, I would open a separate work order for those 10, and we'd work on them outside of the application work. In the end, the Borough would have 10 new lights added to their street lighting bill, at whatever rate (\$13-\$ 15 per light), depending on the bulb size you selected.
 - c. Removing these lights from the application completely and reduce the number to 89 total lights.
2. Approve July 2021 meeting minutes
3. 221 W. 7th Avenue – roof repair – need permission to repair.
4. Steel Valley Authority – would like approval to reduce the number of appointments from 3 to 2.
5. Duquesne Light application.
